

Community Engagement Reflections

Complete these questions before your project.

1) What opportunities are there in your local area to help others?

2) What would you like to get out of your community engagement opportunity?

3) Who are you helping and how?

4) What skills do you think this will help you to develop?

Community Engagement Reflections

Complete these questions after your project.

1) How would you describe your community experience?

2) What skills have you developed?

3) What will you take away from this experience?

4) Has this helped with any of your personal goals? If so, how?
